Boskone 49

Restaurant Guide

This guide focuses on restaurants close to the Boskone hotel. It is not intended to be an extensive guide to Boston's many hundreds of fine restaurants. The information in this guide is as accurate as we could determine at the time we went to press. But it is always best to confirm with a phone call before setting out to a restaurant. We will have menus from most of these restaurants available for reference at the information desk. In addition, a binder of menus that deliver to the Boskone can be found there. Note: Many restaurants with bars close their kitchens before close of business.
